PLO <i>Identify the PLO(s) assessed in the current AY (1-2)</i>	Measure(s) 1. <i>Direct or indirect</i> 2. <i>Description of measure (upload instrument & sample artifacts)</i> 3. <i>Scoring strategy (upload rubric)</i> 4. <i>Score scale (e.g., 4=exemplary, ... 1=unacceptable)</i>	Baseline / Threshold / Benchmark/ Target	Data Collection Method 1. <i>Course(s) number</i> 2. <i>Semester collected</i> 3. <i>Sample size</i>	Results <i>For each PLO, consider all the data and summarize the three important findings</i> Highlight whether the targets were met, partially met, or not met <i>Include summary reliability indices</i>			Action Taken (closing the loop) <i>State action(s) taken to improve student learning</i>	
Demonstrate respect, sensitivity and consideration for patients and families of the patients we treat.	Direct Measure(s): 1. Scores of 3 or better on clinical preceptor rubric question # 2. The scale is 1-4 with 3 being usually friendly and helpful to patients and families. 2. Evaluation by clinical preceptor or program director. This was an observation done during a clinical shift at the clinical site. A form was not available at the time but has now been created.	Score of 3 or better on Question #2. Would like to strive for 4 or better.	Data collected Spring 2013. All of our 12 students were included. Clinical Course # RESP 3100.	<table border="1"> <tr> <td style="background-color: yellow;">Met</td> <td>Partially Met</td> <td>Not Met</td> </tr> </table> 12 of 12 students achieved a score of 3 or better on each of their 20 clinical shifts. All 12 students received an A in RESP 3100.	Met	Partially Met	Not Met	1. New form was created for Clinical Preceptor/Program director observations. 2. More time spent at clinical sites by faculty. 3. New orientation for Clinical Preceptors. 4. Need to start looking at BS degree for Respiratory students to qualify for new Advanced Practitioner coming in Fall 2015.
	Met	Partially Met	Not Met					
Indirect Measure(s): 1. Employer satisfaction surveys were sent to the employer of 10 of the students who are currently employed. Scores were 3 or better on section 3 (behavioral skills). 5= strongly agree, 4=generally agree, 3= acceptable. This is a survey done for CoARC accreditation. 2. Successful completion of 3	Baseline 3 or better. CoARC benchmark is 3 or better.	Data collected Fall 2013. Ten surveys were sent out. 8 were received back. All 10 met threshold.
